Golden Craftsmanship

Each luxury lift & recline chair is hand crafted in our facility using decades of motion furniture experience.

Added Comfort and Safety

Designed to perform year after year using advanced technology backed by the best warranty.

Smart Engineering

Smooth, quiet lifting system offers a secure lift for the best performance.

Battery Backup System

Safety System

Batteries not included. Safety System is designed to bring chair from recline to seated position in the event of a power outage.

Smart Tek

Our luxury lift & recliners are equipped with electronics able to assure a secure lift every time you need it.

Custom Sizing...

One size doesn't fit all with Golden Technologies seat lift chairs.

Literature is current at time of printing. Company reserves the right to make changes.

Our chairs meet some of the toughest safety standards ever. Our entire chair meets ETL (Electrical Testing Lab) standards to ensure electrical safety. ETL is a nationally recognized, third party testing facility.
