Golden Craftsmanship

Each luxury lift & recline chair is hand crafted in our facility using decades of motion furniture experience.

Added Comfort and Safety

Designed to perform year after year using advanced technology backed by the best warranty.

Smart Engineering

Smooth, quiet lifting system offers a secure lift for the best performance.

Sizes may vary depending on fabric, filling material, upholstery and carpet thickness. All measurements taken on concrete floor using levels and metal rulers.

Battery Backup System

Safety System

Batteries not included. Safety System is designed to bring chair from recline to seated position in the event of a power outage.

Space Saver shown in Atlantic fabric

Literature is current at time of printing. Company reserves the right to make changes.

Our chairs meet some of the toughest safety standards ever. Our entire chair meets ETL (Electrical Testing Lab) standards to ensure electrical safety. ETL is a nationally recognized, third party testing facility.
