Offering an exceptional value, the Golden Technologies standard model adjustable bed features independent head and foot operation with a state of the art hand control. Superior engineering and strong metal mechanisms offer smooth operation while a whisper quiet, low voltage, motor that powers the independent head and foot positioning.

HAND CONTROL

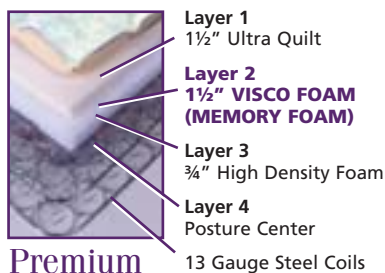

- Low Voltage electric motor system
- One master control wand for easy operation
- Available extra long twin, full, queen, and dual king
- Made in the U.S.A.

Solid Construction

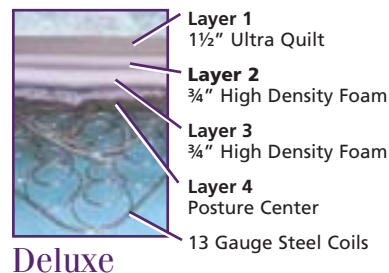

Golden Technologies adjustable beds are manufactured at our factory in Old Forge, PA. Experienced technicians craft each adjustable bed by hand and our qualified quality control team inspects and approves each bed before shipping. Experience the difference with an adjustable bed from Golden Technologies.

Mattress Construction/Selection

Choose from our Deluxe, no-flip quilted mattress featuring 1½" Ultra Quilting, two layers of ¾" high density foam, a posture center, edge guards, and easy to clean ticking available in fresh flower print or our Premium, no-flip quilted mattress featuring the same 1½" Ultra Quilt topping with 1½" Visco foam, ¾" high density foam, posture center, edge guards, and a soft Ivory ticking.

Premium

Deluxe

directly to the baseboard with a sound dampening application. Massage units are great for soothing the mind and body.

Quality Engineering

Low Voltage, quality motor system operates both the head and foot. Completely enclosed, single motor system design offering safe, durable operation. Dual motor massage system applied
