

# ENHANCED COMFORT TECHNOLOGY

**NEW**

PATENT PENDING

## More Positions = More Comfort

**Activate MaxiComfort™ and fine tune your position for absolute comfort!**

*Maxi Comfort™*

Golden Technologies proudly introduces MaxiComfort™, a new concept in seating comfort. MaxiComfort™ allows for a greater range of positioning at the touch of a button to help improve circulation, control pressure and enhance comfort. Experience the difference of this new motion technology available in multiple sizes and styles.

No chair offers you more positions and options.

*Maxi Comfort™*
