## Transfer Lift

Golden proudly offers the Transfer Lift Chair, an innovative chair designed for end users who need assistance transferring from their lift chair to mobility product and back again. Both armrests flip back and out of the way, but still remain attached to the chair, making it easy to transfer. Plus, the Transfer Lift Chair is set for the straight lift position, meaning the chair lifts straight up – instead of at an angle.

Rise.

Roll.

Ride.

## Golden Craftsmanship

Each luxury lift & recline chair is hand crafted in our facility using decades of motion furniture experience.

## Added Comfort and Safety

Designed to perform year after year using advanced technology backed by the best warranty.

## Smart Engineering

Smooth, quiet lifting system offers a secure lift for the best performance.

## Battery Backup System

Batteries not included. Battery Backup System is designed to bring the chair from the reclined to the seated position in the event of a power outage.

**Smart Tek**  
 In the event of a malfunction, our patented SmartTek™ diagnostic system enables you to get your lift chair up and running quickly.
